Equitek Broadcast and Production Miniature Earworn and Lavalier

Equitek Broadcast and Production microphones draw on a renowned talent for building high quality studio microphones coupled with hands-on Broadcast and Production experience.

The Equitek Broadcast and Production miniature microphones deliver industry leading performance with high sensitivity and low self noise. The miniature design allows for easy inconspicuous placement while providing maximum intelligibility with natural, accurate reproduction. Designed with broadcasters, house of worship user, presenter or theater performer in mind.

Currently available for CAD Audio Wireless with TA4F type connector – subsequent replacement cables are planned for TA3F, HRS and locking mini type connectors.
